The Erasmus project

Our activities have helped to raise awareness for the climate crisis.

Erasmus+ Together for Europe - European Union of the Erasmus+ Programme

The slide features a collage of six photographs showing various group activities and events. The text is positioned to the right of the collage, and a small logo is at the bottom left.

A group of approximately seven students are seated at a long wooden table in a meeting room. They are looking towards the left side of the frame where a presentation screen is located. The room has large windows with vertical blinds and a wooden slat wall.

A presentation slide showing a landscape with a hand-drawn watering can. The slide is projected onto a screen in a meeting room. The landscape is a grassy field with a path leading towards a building. A hand-drawn watering can is positioned on the right side of the slide, with a stream of water being poured onto the grass.
